1938 - received PhD from University of Vienna; between 1924-36 visited Czechoslovakia for recreation.

During the war, Subject served as Heinz HENKE's CI officer and is highly regarded by HENKE. (ex-FOB staffer) learned from Dr. Kurt KOHLER that Subject went to Finland during the war to exchange views with the Finnish CI officers and to brief them on German CI experiences on the eastern front. Subject speaks Czech, Slovak, Russian (poor), and some English.
A close personal relationship exists between Subject, Dr. Kurt KOHLER, and Dr. Wilhelm HOSTIL stemming from their University of Vienna days. Subject also is a close friend of Ramon de ONDARZA.
Right after the war, Subject worked and lived at St. Florian, Austria, for the St. Florian Stiftsverlag (publishing house).

Apr 58: From [] According to Subject the best Austrian monastery is at St. Florian 3 km south of the Bundesstr about midway between Lins and Enns. Subj claimed he worked there for 2 yrs after having been released from the POW camp on condition that he not return to Vienna where his parents lived. He was a helper-carrying firewood and washing windows for the first 6 mos and thereafter a secretary. (Subj must have gone directly into UPSWING employment from the monastery).
